

Pre-Export Preparation & Transportation Declaration

To be completed by the Vendor & attached to the NVD (*LPA–Edition 1*) (Waybill in NT) & travel with livestock to the Registered Premise

This declaration is to certify to the best of my knowledge the livestock prepared and handled for export have met the following ASEL requirements.

Documents to be completed and supplied by the Vendor

- National Vendor Declaration (Waybill for livestock in NT)
- Pre-Export Preparation & Transportation Declaration (this declaration)
- Pre-Export Property of Origin Disease Status Declaration

Please tick to indicate acceptance and confirmation

- The land transport of livestock must meet the Land Transport Standards, as well as any relevant animal health and welfare and road transport requirements under state and territory legislation and relevant requirements under national animal welfare standards and guidelines, and model codes of practice. (*ASEL 2.1.1*);
A Copy of Land Transport of Livestock is available from ILE on request.
- The land transport of livestock must also meet any importing country requirements for the land transport phases in the export supply chain. (*ASEL 2.1.2*)
- The maximum water deprivation time and minimum rest times in the Land Transport Standards must be adhered to for all land transport of livestock. (*ASEL 2.1.3*);
- No **chemical residues** or **environmental contaminants** are known to be present in livestock. (*ASEL 1.1.4*)
- Livestock were **weaned** at least 14 days before transport. (*ASEL 1.2.1., 1.4.1, 1.6.2, 1.7.1*)
- Dehorning and tipping wounds are fully healed prior to any transport (*ASEL 1.1.5*)
