DOB: 05/11/2024 AGE: 19 mths

**Ultrablack | Homozygous Polled | IVF****BREEDING****SIRE:** MC BLUE BLOOD 129H18**DAM:** VF MS INTERNATIONAL 889C2**COLOUR:** Black**BREEDPLAN EBVs**

SS	+3.3
MILK	+4
200 DW	+13
400 DW	+25
600 DW	+37

NOTES

The youngest bull on offer, with plenty of length and the phenotype to make him a stud prospect. He offers new genetics to Australia, sired by Mound Creek Ranch headline sire MC Blue Blood 129H18, who sold for \$150k USD in 2022. Out of VF Ms International 889C2, a dam known for longevity and maternal traits. A bull not to miss.

BREEDING

SIRE: CB MASTERPIECE 2051F

DAM: BARRONESSA RUDDER 450

COLOUR: Black

BREEDPLAN EBVs	
SS	+2.5
MILK	+4
200 DW	+11
400 DW	+21
600 DW	+23

NOTES

Tenderness Score 10. Sired by CB Masterpiece 2051F out of Barronessa Rudder 450, a 9-year-old dam who continues to produce top-quality calves. With true Brangus style, a slick coat, neat underline and good temperament, he is well suited to the north.

Brangus | Homozygous Polled | AI

BREEDING

SIRE: CB MASTERPIECE 2051F

DAM: BARRONESSA BLACKBUSTER 920S21

COLOUR: Black

BREEDPLAN EBVs	
SS	+2.2
MILK	+3
200 DW	+20
400 DW	+39
600 DW	+42

NOTES

Tenderness Score 10. Sired by CB Masterpiece 2051F out of Barronessa Blackbuster 920S21, who is big-framed with an excellent udder. A slick-coated bull with plenty of length, a tidy underline and great temperament. An outstanding carcass and growth combination. Fertile, easy-doing bull for serious herd improvement. Top 7% 400-day EBV +41, Top 10% 600-day +45. Carcass wt +20 (Top 15%). IMF +0.7 (Top 15%). Top 3% Scrotal Size.
